1. Are you over the age of 65?	
2. Do you have any serious underlying medical conditions such as high blood pressure, chronic lung disease, diabetes, severe obesity, severe asthma, severe heart disease, or cancer?	
3. Are you or have you recently undergone chemotherapy or another medical treatment that has caused your immune system to be compromised?	
4. Do you live with or care for someone considered to be at an increased risk of severe illness from COVID-19? Anyone who would answer "yes" to questions 1-3 above might be at increased risk.	
5. Are you requesting to defer your jury service to a later date because of answering "yes" to any of the above questions?	

Additionally, on the day of service, you will be screened at the courthouse entrance and asked the following questions:

1. Have you been diagnosed with COVID-19, or been in contact over the last 14 days with anyone who has been diagnosed with COVID-19, or been concerned for any reason that you may have been exposed or infected with COVID-19?
2. Are you currently experiencing any cough, difficulty breathing, or fever above 100.4 degrees, or have you experienced any such symptoms in the last three days?

If your answer is yes to either question *on the day of your service*, you should call the Clerk of Court's office immediately to request a deferral. Failing to appear without justifiable cause may place you in contempt of court.
